INT. KISMET DECK - NIGHT

The ship rocks from an enemy salvo as CAP'N attempts to keep his balance as he stands next to HOBBS, who is strapped in firmly in the pilot's char.

CAP'N
Hobbes! Get us out of here!

HOBBS
Captain, the drive's fragged! I don't know how much more Kismet can take.

The Captain grabs the intercom, his voice echoing throughout the ship.

CAP'N
Ariel, get in here and help Hobbes before we're scrap!

Ariel's voice returns over the intercom.

ARIEL (V.O.)
Kinda busy at the moment!

CAP'N
You get your pretty little head in here or --

ARIEL (V.O.)
We're being boarded!

HOBBS
I know! I know! I'll try to shake 'em off...

Another explosion rocks the ship.

CAP'N
What was that!?

HOBBS
Central thrusters came loose!

ARIEL (V.O.)
I can't hold them off much longer!

A scream comes across the intercom. Not Ariel's.

ARIEL (V.O.)
We just lost Red!

CAP'N

Get to the escape shuttle, now!

HOBBS

Captain, that's a one way trip.
The shuttle callback button broke
off.

CAP'N

Fine time to go mentioning that,
isn't it? Someone tell me why I
bought a ship without any guns on
it!
